

## **Remind Instructions**

You can join a class or school to receive Remind messages via text, email, or push notification (or any combination of these).

This will be the best place to receive and send messages related to GATE. **Please be sure to only sign up for the class your child attends as it can be confusing to receive messages for other grade levels.**

### **1. To get text notifications:**

#### **o Join by text:**

Participants text a unique class or school code to a Remind phone number. For U.S teachers, the Remind number is 81010. For example, if you wanted to join 5<sup>th</sup> Grade GATE, you would text @jrbgate5 to 81010.

#### **1. Class Codes:**

- **3<sup>rd</sup> Grade GATE: @jrbgate3**
- **4<sup>th</sup> Grade GATE: @jrbgate4**
- **5<sup>th</sup> Grade GATE: @jrbgate5**

#### **o Join online:**

Visit [remind.com/join](http://remind.com/join) and enter the class or school code along with your mobile phone number. You'll get text notifications at the number you entered.

### **2. Get mobile app notifications.**

Download the mobile app for iOS and Android devices and create a new account (or log in if you already have one.) To join a class, tap the + by Classes Joined and either join with your class code or search for your class. You'll automatically get app notifications.

### **3. Get email notifications.**

#### **o Join online:**

Visit [remind.com/join](http://remind.com/join) and enter the class code and your email address.

#### **o Join from your inbox:**

Send a blank email to **code@mail.remind.com.** (If the class code were @jrbgate5 for 5th grade, for example, you'd send a blank email to **jrbgate5@mail.remind.com.**) You'll get a response with more instructions.
